In the second half of the tenth century, no fewer than three separate khilafahs competed for dominance in the Muslim world: Such a person hopes that by purifying his external actions, God will allay his fears and help him realize his hopes and desires in the world. Sanctity and Mysticism in Medieval Egypt: But wool was not particularly cheap in premodern times. The Fatimids conquered Egypt in and moved their court from Tunisia to their new capital of Cairo. A helpful summary of the theological and historical dimensions of Sufism.

BR The Sufi masters, Zargar asserts, shared an aesthetic vision quite different from the scientific method. There is no place for intellect in traditional science, except in relating problems of detail to basic principles. Sympathetic presentation showing the basis for the continuing appeal of Sufism in the modern era.
