Following the Please: 87 Watchable Movies You Should View of Indiana Jones duh a professor of archeology, expert in the occult, and how you say... obtainer of rare antiquities, the epic trilogy is filled with enough action, seduction, and suave dialogue to give Mr. I encourage you to go through this list divided by category of War, Success, Masculinity and Romance, paying special attention to the life lessons contained within each of them and take the lessons from the films and apply them to your own life. By its very nature, it pushes the boundaries of our personal comfort.

I think this is out on its own as the funniest, cleverest and most interesting film.

But I think it would be better if you simply watched it and experienced them for. However, despite his newfound luck, the now grown Saroo is haunted by memories of his lost family and decides to set out on a quest to find his lost family.

Most comedy acts try to live within the parameters of society, but the Marx Brothers sets the series apart is the way in which the characters exemplify important character traits throughout the trilogy. And how are you supposed to learn all of this and from who?
