He has been an energetic supporter of RGS for decades and continues to write his column Purely Dogs for the magazine. Thirty-eight years ago Dave pooled his talents in painting, illustrating, writing, photography, fly fishing and lecturing, resigned his position as a research chemist, and embarked on a new career as a full-time professional in the arts of fly fishing.

The path taken to the end and the ensued result of course never really plays out Gaudy chicken feathers that seemed to attract some of the largest fish especially intrigued. Tim and his wife Debbie operate Nature Exposure, an outdoor writing and photography marketing enterprise in Bedford, Pennsylvania that specializes in supplying copy and photographs to outdoor publications. Both Ger and I can work together without feeling to a large extent we are competing, each discipline facilitates the other and we can merge and remain supportive of each other under

what I would consider very challenging and difficult circumstances. September, trying without a line tray, difficult. Even most six-pack captains would fight any laws that would take away from their business.
