I hope this sounds familiar or helps with the search. A few words can help:

Another bit I can roughly remember is the bear in some kind of shop where he is

I am looking for a book that I think may have been called "Santa Claus is Coming" or something like that and it could have been written in the 's or early 's. I don't remember them being very happy about going and I believe the children were in their early teens, because I think there was a mild hint at future romance.
