More than money I need faith. Something better is on the way for me. Substance is first given form in the mind, and as it becomes manifest it goes through a threefold activity. Do not center your thought on yourself, your interests, your gains or losses, Educated by '68, the men and women at the Besan on factory formed committees to control every aspect of what became a national struggle. God is the Source. This will open the door of your mind to an inflow of substance-filled ideas. If your thoughts are confused, become still and know. It is not money but the thoughts men hold about money, its source, its ownership, and its use, that keep them out of the kingdom. See it filled with the living substance ready to become manifest.
