He is known as an erotically charged religious poet, whose sacred and profane poems seem equally passionate but he is also famous for his metaphysical poems. But although erotic, this is not a love poem; nowhere does he say that he loves the woman, or that sex is part of a deeper relationship. We have seen how in *The Extasie* Donne describes love as a sublime union of two souls. For Donne love transcends all worldly values. The religious metaphors give a hyperbolic intensity to his imagery, but the ideas expressed in *The Extasie* are firmly rooted in the scientific theories of his day. *Studies in English Literature* 8 1 The title of this poem, *The Extasie*, implies that love is a religious experience, just as the diction of *To his Mistris Going to Bed* conveyed sex as a religious experience.

Representing the work of students from hundreds of institutions around the world with reference to two poems In defiance of, and in gesture of confrontation to, a conservative, paternalistic, and religious world, the metaphysical poets John Donne and Andrew Marvell present a new mode of thinking; one not governed by the hope of heaven, but by faith in the flesh.
