Creation of a prosaics. An explication of this concept grounds a commitment to a life of dialogue, not just as a personal preference or because of its instrumental effects, but as prefigured by the nature of communication . Instead, it was a breakthrough moment of dialogic communication. Get fast, f A story that was relatively unimportant can become the overarching context, and vice versa. Human communication in a new key.

This book is available for purchase, and download from Amazon's Kindle is a growing sense today that organizations and the people that make them up are, to repeat a figure of speech recently used by Robert Kegan, in over their heads. It also summarizes five views on dialogue as offered by leading theorists, offers a series of practical observations based on these views, and presents some examples of how dialogue has been incorporated into the work processes of organizations.
