We need to figure out how to put the "outside" existence on hold while they are in. I love him so much and I begged to God to just please give him one more chance.

But if his brother is staying in there for many more years to come, the situation is difficult. My husband says he wants to see his brother as much as he can, but I am going through a lot of stress because of it. My husband just got arrested yesterday. Close your eyes, and breathe in while counting to .

But again, you are allowed to have your feelings in this situation. You can use this to streamline signing up for, or signing in to your Hubpages account. Coping with life after an arrest is something that takes a long time. Learning to cope with the separation and altered circumstances caused by an arrest is something that takes a long time.
