The Three Day Affair by Michael Kardos is a nicely paced, elegantly written crime story.

Related books: [Ein Vater gibt nicht auf: Die Geschichte eines gebrauchten Mannes \(German Edition\)](#), [Ogg](#), [From Sonora to Heaven](#), [Linear Algebraic Groups \(Graduate Texts in Mathematics\)](#), [Wicked Catch!](#), [The Tale of Ginger & Pickles \(Beatrix Potter Originals Book 18\)](#), [Footprints](#).

The writing is worth four stars, the basic plotting is worth four stars, and the psychological acuity of two of the friends rates two stars. While I wasn't completely surprised by the financial revelations in the penultimate chapter, I sure didn't see that last chapter coming.

The book was a quick read that kept me turning the pages. I could just never buy it.

Jeffrey kidnaps Marie out of anger and revenge against his wife, Sara, for having an affair. Things start a bit roughly when Evan bales at The Three-Day Affair last minute, citing work overload, but the other three men carry on that first evening, going to dinner and having a few drinks.

The back story makes an excellent read and the characters are truly believable. You people are saying this is one of the best books you have ever read. This was an underwhelming listen for me.
