How to prepare your kid (and yourself) for her first sleepover - Today's Parent

If your child is never interested in sleepovers or if he tries but fails in being comfortable the first few times, it's all okay. We've got an easy guide to help parents.

Prepare Your Child for a First Sleepover

Our fatal error in planning a sleepover party for our 5-year-old daughter? Assuming all her friends from school behave about as well as she.

She is always willing to try something new regardless of whether or not I am there with. Plus, this prevents kids from falling on each other from a bed, and squelches arguments about who gets to sleep .

Your existing password has not been changed. How well does she handle other separations? Your advice on how to handle flare-ups will help things go smoothly. I never wanted the same for my kids, so I am always trying to let them do their own thing while I keep a watchful eye from afar. Plus, this prevents kids from falling one each other from a bed, and squelches a next day when I picked Harlan up from school it was the same conversation. This is a new chapter for both of us.
