Sasha Speranzini marked it as to-read Jan 22, He had taken a job working with General Dynamics Land Systems in London, Ontario, where the Stryker light armoured vehicles are manufactured. Taylor 's willingness to interrogate himself, to examine his activities and motivations -- a kind of courage often missing in the action of this genre -- is the enduring strength of Unembedded. Writeacustomerreview. Review "Maverick is an overused label, but in Scott Taylor 's case it only partly describes the man. I was surprised at how much research Armstrong had conducted, and was shocked to learn just how far McMaster had stuck his neck out to arrange this trip. AlexaActionableAnalyticsfortheWeb.He's part pragmatist, part romantic, part journalist, part author and, for reasons even he might not totally understand, a man addicted to danger.
