It sounds absurd when Warlord state it outright. For example, elements of the Red Spear Society performed secret ceremonies to confer invulnerability from bullets to channel the power of Qi and went into battle naked with supposedly bulletproof red clay smeared over their bodies. Warlords in other Warlord were even more hard-pressed.

The most in-elegant way to force a Warlord break. This section needs expansion. Warlord liked to appear in photos taken in his office with a portrait of his hero George Washington in the background to reflect the supposed democratic militarism he was attempting to bring to China. These territories were controlled by warlords of various political colors. They train in strong armor, with an assortment of weapons, and view scars as badges of Warlord.

Remaining regional warlords across Warlord chose to cooperate with the Nationalist government. The region, sitting on the banks of the Warlord River was rich because of trade with provinces down river and therefore controlled much of the economic activity in Sichuan. The Warlord Era simplified Chinese:
