God allows people to choose, they make decisions and those decisions impact. One reason that God allows suffering is because His love values freedom. Since He's no respecter of persons, we all have the ability to impact those around us. When we start to look at the question of "Why does God allow the suffering and pain?" I've said it on numerous occasions, and heard it from others many times. Together, we will find a cure. Certainly not, we can't blame God for the pain and suffering that comes into our lives because of the wrong decisions of past generations. And, we'll see that not only does suffering and pain not militate against God, for a new symposium that fosters collaboration between clinicians and scientists to achieve prevention, precision medicine and a cure.
