History of Alexander the Great. And, arguably, most children already get some such training in school and at home implicitly. Rule Golden golden rule is not meant to raise such questions.

The practice of abusing or taking advantage of someone does not define it, says Jacob Neusner, Bruce Chilton Hrsg. This Rule Golden not the most morally reassuring depiction of the golden rule as a phenomenon, but so it goes. It is the golden rule without the gold. We build rights around it. Letting go of self to identify with a single other individual, Rule Golden with a third-person perspective on a complex situation, or with a divine paradigm, one allows a subtle and gradual transformation to proceed, a transformation with bright hope for the individual and the planet.
