May 24, Michele rated it it was ok Shelves: Having dealt very closely with real live people who suffer from this, I found the author has done her research. Each week, our editors select the one author and one book they believe to be most worthy of your attention and highlight them in our Pro Connect email alert. IthinkthisbookmightappealtoanolderdemographicAnd all of it is pretty much how she thought it would be given what he was up to when she left. Tackles the part of the story that other novels on this subject miss - the stage when the children are well into adulthood and the parents are aging, and about the Night Navigation: A Novel boundaries they are forced to draw as they figure out how to take care of themselves.
