In exquisite prose, Hoffman offers a transforming glimpse of small-town America, presenting more than three hundred years of passion, dark secrets, loyalty.

Synopsis - Alice Hoffman

The Red Garden has ratings and reviews. Will said: Hoffman is in familiar, magical turf in this collection of charming and engaging, if not.

Her fans, as well as those of magical realism in general, will be enchanted. Over the course of many stories, these countries of the imagination take on a life of their own and will generate their own myths, histories and legends - living on even after their creators are no more, as Lovecraft's Chthulu The Red Garden does.

This book has them all, so of course I liked this book. Set up a giveaway. It was like following a butterfly dancing from flower to flower, as you follow along hoping that this time it will sit still long enough for you to admire it fully. What does Louise Partridge inherit other than a house? But then something tragic happened. She lives near Boston.
