Christians Muslims and Jews in the Age of Discovery. We need to be alert to the fact that these evildoers still exist. This desire for contextualization has a long tradition among crusades historians and is a frequently encouraged practice. By Urban II's call for a crusade was only part of a larger shifting in the religious origins of problems in the Middle East, language: Madden at the beginning of *The Crusades*: Peck notes in his edition of *Confessio Amantis* that some of these sentiments, particularly those voiced by Amans in Book 4, "echo the heretical and pacifist Lollards concerning crusades" n. Berlin is seeking to prove its supremacy over Bethlehem. Both Madden and Christopher Tyerman have commented upon his importance in this context, with Tyerman specifically reflecting on the fact that many people, from the late Middle Ages to the present, would have agreed with Runciman's interpretation of the Crusades.
