Furthermore, The Threshold teachings of the Second Vatican Council, innumerable interventions of the Holy Father, ordinary and extraordinary Assemblies of the Synod of Bishops, Episcopal Conferences and the pastoral solicitude of diocesan Ordinaries, as well The Threshold international Catholic organisations involved in education and schooling, all support our conviction that it is opportune to devote careful attention to certain fundamental characteristics of the Catholic school, which are of great importance if its educational activity is to be effectual in the Church and in society. In other areas new forms of poverty challenge the Catholic school.
