These three groups lived independently but were attacked regularly by the Samnites, another primeval group of people living in the south-central part of Italy called the Samnium around BC. The division, however it came about, is not legendary.

If they are green-eyed, gray or blue-eyed, the Lombards, Normans, Germans cou
From this point of view the question to be asked is what language did the Safines speak? Excluding this small group, the frequency of the occurrence of these suffixes in ancient Italy is shown by the following table.
