Any offers and rates shown on this site can change without notice and may contain information that is no longer valid. What generally happens is that along with a reduced monthly payment, a refinance also extends the loan term. It could also have the side benefit of freeing up some extra time to work on a side job. Work out how much this is per pay or benefit period for example, per fortnight. She always had money for meeting various family needs as they arose. A small sum is taken out of your payment each fortnight to cover your bills. Work out where your money is going and make it stretch. You can adjust groceries that month if you need.
