Did you hear about that Anna? My holidays are short, so have to rush to see .

The trip is remarkable and definitely unforgettable. We drove there a week ago and paid the entrance fee of 10 Soles per person. If they move slowly... so do we all. It is a place that leaves you breathless in all senses, both for the effort you have to make to get there and for the beauty of it.

The views are unforgettable. You often get overcharged this way. Always know where you are.
