Trivia About Healthcare Beyond As in any policy discussion, the outliers do not make for good general policy. Infact, this book is a must read for anyone even remotely associated with health. Craig marked it as to-read Dec 05, Doing It Right for Half the Cost explains how this new kind of healthcare is not about rationing and cutbacks. Private insurers always want to dump people with difficult, complex problems. Flower is an independent healthcare analyst and futurist, a veteran of 30 years of studying, reporting on, consulting with, and speaking to organizations across the industry. There are more and more people who are not quite able to take care of themselves and who thus need assisted living, home health aides and other such services.
