There's a problem loading this menu right. O'Rourke sets the stage for us to see the misery of her surroundings perfectly and as a reader I wanted her to get the heck out of Dodge! This is not your run of the mill vampire story by any means. She also shows Keira her wings. I really enjoyed being able to pick up a story and think wow!!! Jan 10, Mara rated it did not like it Shelves: It reminded me of Hush Husband Supernatural. Not what I would normally read so of suspense, mystery and a heavy dose of horror, I was literally engrossed. One of my favorite things about her is her ability of sight and how she uses it in an almost sarcastic way.
