Kind of a waste, because the author clearly has done research. Deborah Swiss brings new light and insight into the story of female convicts transported to Australia and in telling this story through the lives of a number of individual women brings home to us both the tragedy and the triumph of these resilient women.

Jellyby I couldn't really take her seriously, was presented as such a saint I blinked at the soft light. And like these women, the founding mothers of Australia exemplify the same remarkable resilience and resourcefulness that women show to pull themselves and their families out of adversity.
