Oct 25, Melissa rated it liked it Shelves: In his day, he's given a CAT scan to a rat and done an ultrasound on at least one frog. Ilovethefacialexpressionofthepuppyinthecover. I was mostly bored. If you are animal lover, though, be prepared to cry at some points in this book! I think this would be an excellent book to pick up if you want to pursue a career in veterinary science or animal care, but it will just as easily appeal to anyone who loves animals in general.

Isn'tthatright,Dan?In 25 years of practice, one would've thought there'd be enough memorable pets to fill these pages with the humor and pathos I did see shining in the recollections salted in amongst the ponderings. The old man looks up, offering an apologetic expression that changes into a wince as he gets to his feet with difficulty.
