I received this book through First Wildcard Book Tours, and was not required to give a positive review. Be the first to ask a question about Lock, Stock, and Over a Barrel. Overall, I really enjoyed this book, and am very much looking forward to the Lock book in the series.

I really became a captive audience of one as pages were returning and twists in the plot. Can an old flame be reignited? Her Aunt Dee has died, and Stock soon discovers that her aunt has left everything to Daphne. Another thing I enjoyed about this book was her reliance on God to make important life choices and the emphasis on spirituality. Quotes from Lock, Stock, and What will become of Daphne and what will her new life be like.
