Special offers and product promotions Amazon Assistant: It did not disappoint

Like Einstein's Cosmological Constant, that indefinable spark of mystery that makes the universe something more than merely possible, there is an unqualifying element that breathes life into our ideas and perceptions, lifting us up above the mundane: Nov 11, Sep 2, Location:

I had a long flight to California recently and this book made the time fly! We will not remove any content for bad language alone, or being critical of a particular book. Read more Read .
