Over the weekend, The New Republic posted a 10,word essay by black academic and author Michael Eric Dyson that's created quite a buzz within a certain segment of black America. When he was released from prison in after serving three years of his sentence, Garvey travelled to Geneva, Switzerland, to speak to the League of Nations on issues of race and the worldwide abuse of people of color.

DuBois, and Marcus Garvey. He ended up settling in New York City, where he first A Small Nation of People. This work would set the stage for his activism later in life.

This internal dichotomy is shown often in Du Bois' writings. While the reverberations from what's being referred to as the Dyson Takedown continue to roll out, some say this ivory tower sturm und drang seems less than productive when the rest of black America is in extremis.
