Your recently viewed items and featured recommendations. Kindle did a poor job scanning the text. And I believe that this increasing unreliability of language parallels the increasing disintegration, over the same period, of persons and communities.

In his new collection of essays, we find Berry adamant, didactic, and unabashed. Like Richard Roar, you may be surprised at phrases you have heard in homilies and did not realize they originated with Wendell Berry. Shelly Weinhold rated it it was amazing Sep 03, Privacy Policy Terms and Conditions. I really like the chapter on Poetry and were 5-star paragraphs throughout the book but it was not as easy to read as say, C. But what we call the modern world is not necessarily, and not often the real world, and there is no virtue in being up-to-date in it.
