Satan worshipping in Swinging London in the Sixties. Underneath Irwin's sense of humour Satan Wants Me is an interesting example from an honourable esoteric tradition. However it manages to pull itself together and keep the 4th star, if only just. Goodreads helps you keep track of books you want to read. Kindle Edition Verified Purchase. Add to this an abundance of 60s pop culture references and you have a book that utterly seduces. The problem with this one, though, is that I had no emotional attachment to any so is this book. The closest thing I can think of is the film Simon King of the Witches.
