Combining Ericksonian hypnotherapy and NLP with techniques from cognitive therapy, Yoga and stress management, the book shows how to deal with every possible situation in smoking cessation. Being able to manage the boundaries in our relationships enables us to stay fulfilled, happy and productive, Nawoykamarkeditasto-readAug18, Reviews There are no reviews. Written by an experienced hypnotherapist, this volume first provides an overview of the nature of hypnotic transformation and the psychology of the smoker and then goes on to show why it is not enough to enable the smoker to stop during the sessions – the therapist must also prepare the client for every situation in the real world to be able to stay a non-smoker for life.
