Both books should be read. The book felt somewhat phoned-in on the whole, and suffered perhaps more than it otherwise might by the fact that i'd just finished reading Paul Collins' Murder of the Century, which was a far superior book on a very similar topic same time, different case

Then,thereisaconstantgeneralshamingIt'shardtodiscusstheproblemswi
well done book, on a story I had not heard of. This case was mentioned in The Poisoner's Handbook and I thought I knew what was going to happen and to some extent I was right but there were some things that were a surprise to me.
