On the Barricades and in the Boardroom. Perceptions of Code Users. Persons, Rights, and Corporations. Please enter a valid email address. Email already added. Sweatshops and Human Rights Abuses: Lists with This Book. Logsdon Patsy G. The United Nations Global Compact: Prakash Sethi, a preminent business scholar and researcher on the activities of multinational corporations and global business issues, outlines a number of highly effective approaches by which corporate leaders can improve their credibility and ensure the protection of the human and civil rights of their workers across the globe. He recommends a code addresses issues only in the reach of a company and that impact the relevant concerns of affected communities, stated in objective and outcome-oriented terms.
