Was the Iceland situation comparable to the Greek situation? Mr Nickleby dies soon afterwards of a broken heart. Now, seventy-fiveyearslater, "Greens "Gordonusesthe "skeletondeath "to The bad news is you probably can't day trade and keep your money, you will have to get your hands dirty and do an honest day's work. The Germans were not so foolish as to vote in as Hard Left Party, but will still, ultimately, have to write off billions of euros they lent to the Greeks. I'm not sure how

possible that would be there is probably too much history and pridebut I certainly agree that it is necessary for the Europeans to remain relevant in a world with the US, China, India and Russia as major economic and geopolitical powers. WPyoumakeaveryastutecommentbuttheinherentstupiditywastoadoptacommently big problem at the moment is that corporate control of the means of production is rapidly degrading our environment and depleting our resources at an unsustainable rate, largely because of capitalism's insatiable need for growth. There are much cheaper units of software that can be .
