The cultural history of telepathy, teleportation, and UFOs; a ghostly love story; the occult dimensions of science fiction; cold war psychic espionage; galactic colonialism; and the intimate relationship between consciousness and culture all come together in Authors of the Impossible a dazzling and profound look at how the paranormal bridges the sacred and the scientific. This lineage includes Rudolf Otto, Carl Jung and Mircea Eliade, all of whom receive generous and uncritical treatment in the pages of this book. Back on the Page.
